Spring Into Storytime is celebrated in libraries across Co. Cavan during the month of April with storytimes and activities that promote reading and literacy.

This is an ideal time for your child to become a member of their local library.

The library is a place where children learn to explore and imagine a world beyond their own. Young people who have access to libraries read more and have better language and literacy skills. Membership is free of course so just pop in!

GDPR: By filling in this form you are giving your consent for us to hold your child's data for the duration of this competition and for us to contact you via details which you provide on your child's membership record.
